These shingles are relatively cheaper than the * A * brands, because hey are more durable-will cover more surface-require less time and care in laying them, and are FULL COUNT. Parties who want good roofs should have NO OTHER. Call and ex amine them at my yard, Cor. Osage and Third.

C. H. GAUSS.

Quiet! Light Running!

The Best Machine for the People to Buy, Because the Easiest to Use. It is the Only Machine in Use With the Following Points:

FIRST—It runs either forward or backward, sewing always in the same direction, without loss of stitch.

SECOND—It is positive in all its movements, and free from complicated cames, cogs, and spring THIRD—It has a large closed shuttle, with no loose part, and no threading through holes of

FORTS—It is improved with independent take-up, and allows the shuttle to pass through loops, and finishes each atich before commencing another.

FIFTE—It is provided with simple and effective means for taking up all wear or lost motion.

SEXTE—It is provided with a simple and convenient arrangement for winding the bobbin wither running the machine, or removing the work or band.

SEVENTE—It has a painer box cover, making a work box or extension table at will. (See cut.) EIGHTE—It is the only machine people want when they have once examined it.

Don't be described into buying a sawing machine until you see the ST. JOHN. I am determine to be underseld.

MALL MACRINES REPAIRED AND WARRANTED
